

SUPPORT and SERVICES FOR OUR CHILDREN

TITLE 1

Our Title 1 program offers eligible students assistance that can include:

- ~daily “flooding” for Guided Reading
- ~interventions for students who need academic support
- ~staff development
- ~support materials and books

SPEECH THERAPY

Our speech therapist offers services to qualified children throughout our campus. Services are offered both in the classroom and in the Speech Therapy room.

SPECIAL EDUCATION

Our Resource Specialist Program serves those students who have qualified for special education. Students receive services both in their own classrooms and through daily interventions.

FOOD SERVICES

Our cafeteria provides a free breakfast to all students and a free, reduced price or reasonably priced lunch daily.

LIBRARY/COMPUTER LAB

Students visit the Library and Computer Lab once a week. In addition, both services are available daily for students needing access to computers or reference material to complete assignments. Further, students needing interventions to help them develop reading/math skills can access library and computer services regularly

PE

All students receive physical education three times a week. These classes are taught by licensed PE teacher. PE is considered part of our students' regular curriculum.
